INTRODUCING SUCCEED

SUCCEED DIPLOMA OF INTERIOR DESIGN & DECORATION

(LMF50408)

This fast-paced, accredited Diploma in Interior Design and Decoration (LMF50408) focuses on developing the high level creative and technical skills required to work as an interior designer on a broad range of design projects.

During the course you will be exposed to all facets of the interior design and decoration industry, including residential, office, retail and hospitality design.

At the end of the course, you'll have a nationally recognised qualification, a slick portfolio of work to show potential employers, and the skills to jump straight into work for an interior design, decoration or architecture firm.

WHAT YOU'LL LEARN

RESIDENTIAL DESIGN

- Interior Space Planning & Design
- Technical & Perspective Drawing
- Colour Schemes & Paint Technologies
- Sample Boards & Specifications
- Lighting Design
- Window Treatments & Furnishings
- Residential Design
- Model Making

COMMERCIAL DESIGN

- AutoCAD & Google SketchUp
- Interior Building Construction
- Advanced Colour for Interiors & Exteriors
- History of Interior Design & Decoration
- Retail/Shop Design
- Commercial Office Design
- Design for Hospitality
- Professional Presentation & Communication

CAREER PREPARATION

- Portfolio & Resume Development
- Career Advice
- Job Placement Assistance

WHO SHOULD ATTEND

This course has been specifically designed for young adults and recent school leavers who want to become professional interior designers and decorators.

PROJECTS & HOMEWORK

Your projects involve working with real clients from the initial brief right through to the final presentation of your scheme so you get to experience just what it's like to work as a designer.

Expect to receive 4–6 hours of homework each week.

eCAMPUS

Our eCampus is a resource library full of products, services and industry links to help you kick start your career.

PRIOR KNOWLEDGE

No portfolio is required, just a commitment and dedication to becoming an interior designer — and a lot of hard work!

Design and Technology or Visual Arts at HSC level an advantage.

THE ESSENTIAL INFO

9AM-4PM
3 DAYS/WEEK FOR 12 MONTHS

COURSE INFO

A CREATIVE LIFESTYLE

OUR LOCATION

Sydney Design School is nestled in the creative hub of Crows Nest on Sydney's leafy North Shore.

Only 5km from the CBD, Crows Nest is bursting with cafes and restaurants and is fast becoming the location of choice for interior, graphic design, architecture and advertising firms.

We're easily accessible by public transport, with St Leonards station and Pacific Highway only moments away.

OUR STUDIOS

Welcoming, highly professional, and awash with natural light and a creative atmosphere, our studios are a hive of activity.

Our studios feature a student lounge, a complete library of reference books, design and decoration magazines, and a sample library with the latest products, materials and fabrics.

Our new AutoCAD studio houses widescreen monitors and the latest industry standard software.

CAREER OUTCOMES

- Interior designer for a residential or commercial design firm
- Interior decorator or stylist for retail, television, magazines and real estate
- Design assistant for an architectural or interior design firm

FREE SDS CAREERS

We connect leading interior design and decoration firms with our best students and graduates to provide the best possible outcomes in career development.

Each student is provided with individual coaching to maximise their educational and vocational experience.

We provide a broad range of career and professional development opportunities including:

- Advice on career mapping and work opportunities
- Portfolio and resume preparation
- Coaching on career choices and role selection, and
- Industry networking opportunities through our 'Launch your Career' day and in-house seminars.
